

FLIA Fellowship with Boys & Girls Clubs of Portland

Fellow, Portland, OR, Full-Time, September 1 – December 8

Stipend: \$570, Bonus: Up to 5%

Basic Overview

Future Leaders in Action is dedicated to cultivating leadership and supporting youth through our fellowship program. Fellows, college students and recent college graduates, work on-site, full-time at a partner community organization to implement and evaluate a recurring program that supports children and youth in one of the following areas:

- Advancing Skills for Success
- Promoting Public Health
- Providing Enrichment Activities
- Protecting the Environment

Throughout the fellowship, fellows are responsible for fundraising at least \$500 for Future Leaders in Action. Fellows have explicit objectives and work with the partner organization and FLIA in implementing and evaluating a program that helps children. Fellows must submit an evaluation and report of their work upon completion. The result is professional and leadership development in a fast-paced learning environment. More details can be found at our website <http://www.futureleadersinaction.org/>. Please complete and submit your application at <http://www.futureleadersinaction.org/apply/> by July 1.

Responsibilities

The fellow will help support Boys & Girls Clubs of Portland in the development and implementation of a program that recruits and supports Boys & Girls Clubs of Portland teen Club members in the application process of the Youth of the Year program. This program will help members complete portions of their application in Club while also preparing them for the interview and speech portions of the culminating event. The fellow will be responsible for developing an outline and curriculum for this program in collaboration with Club staff, assisting Club staff in the recruitment of members to this program, and driving the implementation over the course of the fall program quarter. The fellow will also help coordinate the final details of and attend the ZooSnooze event, which will recognize and reward Boys & Girls Clubs of Portland 2015 Youth's of the Month.
